Message from the PE Team

Dear Parent/Carer

This year, the Sports Hall will be used to house the summer exams series for our students. Therefore, in the event of inclement weather, we will not have access to the Sports Hall for the delivery of our PE and Games lessons.

In addition to regular PE/Games kit (including a change of footwear), please ensure that your child brings a showerproof coat that can be worn should the weather take a turn for the worse during this summer term. Obviously, in the event of extreme weather, we will use an indoor space but may be limited with our practical offerings.

Kind regards

The PE Team
