29th March, 2021

Dear Year 11 Students, Parents and Carers,

Key Stage 5 Options Evening

I am writing to inform you about our KS5 options selection process for this year. As we are all aware the recent lockdown has prevented us from running our planned options evening.

We will now be offering our options evening on **Tuesday 27th April** from 6pm - 8pm. At the time of writing we hope that this will be via the usual face-to-face format and will begin with an initial talk in the Lecture Theatre followed by an opportunity to speak with teachers from each of the subjects offered at Level 3. Following the event we will then ask you to indicate your provisional subject choices, to assist us in constructing our Year 12 timetable for September. These preliminary choices for are to be completed by **Friday 30th April**.

Before then you may like to look at our Sixth Form Options information brochure which is published on our Website [Here](#)

If we are unable to run the event due to further COVID-19 restrictions then we will hold a virtual options evening with presentations available for students and parents to watch, outlining each of the KS5 courses.

At the start of the new term we will send you another invitation to this event, indicating its format. Please note that final enrolment for sixth form will take place in August, following the publication of results.

Yours sincerely

Carol Bamford
Deputy Headteacher
