17th November 2020

Dear Parent/Carer,

New Headteacher of Ramsey Grammar School

I am delighted to announce that Sarah Findlater has been appointed as the new Headteacher of Ramsey Grammar School, and will be taking up the post in May 2021.

Mrs Findlater is an experienced headteacher having led British Curriculum schools in the United Kingdom, United Arab Emirates and Asia.

Born in Devon, Mrs Findlater was educated in London before completing a BA honours degree in English and Philosophy at the University of Liverpool, followed by a PGCE in Secondary English at the Institute of Education at University College London.

She said: "It is a great honour to accept the role of headteacher at Ramsey Grammar School and I am looking forward getting to know the students, staff and families.

I can see what a wonderful group of young people I am about to work with having already met some of the pupils remotely. The students spoke fondly of the sense of community and were proud of the things their school has already achieved. It is clear that there are great things already happening and I look forward to building upon these successes further."

An acting headteacher will be appointed to take over from me when I retire at the end of this term. I will of course keep you informed of developments. I take this opportunity to congratulate Mrs Findlater on her appointment and wish her a happy and successful career in charge of this wonderful school.

Yours sincerely,

Mrs A G Baker
Headteacher
