

# Remote Learning @ RGS

Students should register via the Ramsey Grammar School website before 9:30 every morning

Students will follow their normal school timetable

Students should go to their subject Google Classroom for the link to each lesson

Teachers will register and introduce the learning. Lessons may be led or supported by teachers

Students should make a routine and be organised with a quiet place to work

If you have worries or concerns please contact school

Remote learning will be tough. Afterwards get your child to engage in other activities to relax
