Goldemort

- I have a pet snake that eats people - ●
- I have no nose - rose
- I split my soul into seven pieces -
- my eyes are red - decayed
- people are too scared to say my name - same - same -
- I'm the best at magic - tragic
- can fly without a broom
- killed my own parents
- killed lots of people - Steapie

I'll show you
porridge like gold's wort
and make you look like gold's wort
golden bird

golden bird

Thanos, welcome to the hood
You think you sick but I drink blood

In a race, i'm running fast
when you in a race you running last

Yeah my name is dracula
come by my ends and ill hit you with a spatula
Gruffalo you scored of a mouse
your the size of a two story house

your big fat round and hairy
do you really think that your that scary

Im the gruffalo, big as a buffalo

I have a tail stronger than a whale

I have a big belly, jiggly like jelly

Hey dragons, you look like a maggot

You have no muscles, so we can throw you
to Brussels like a bag of skittles

Your bag of bones, no wonder your alone

You have a tail, weak as a vein

Our teeth can rip through you like
beef

we are super hairy, better be weary

BANG!

i'm thanas im famous ill send you
too uranus

The gruffalo is fat ~~and~~ hairy your
really not scary.

Dracula, your not spectacular, ^{even} you
got big teeth how do you speak
and did i mention your really weak
voldemort you've got no nose

so keep your mouth closed

I've got all my infinity stones i
will crush all your little bones!

I've said all i want say
now i need to stop, now
its time for the mine drop
