2nd November 2020

Dear Parent/Carer

Year 11 Review Days – Thursday 12th November 2020/ Thursday 19th 2020

We realise that the current situation in the UK and uncertainties surrounding examinations will be causing you and your child concern and anxiety. We would like to use the Year 11 Review Days to provide you with personal reassurance that everything is in place to support examination students at Ramsey Grammar School.

Review Days provide an opportunity for students and their families to speak to the form tutor, the person best placed to provide an overview of the school life of an individual student. The aim is to discuss academic potential and progress across all subject areas as well as behaviour, attitude and how best to improve. This year the students will deliver a self-assessment about their strengths and areas of development. During the meeting you will be informed of feedback from your child's subject teachers.

Appointments on **12th November** will take place during the school day between **8.45am and 3.30pm** and appointments on **19th November** between **1.50pm and 3.30pm**. Students should attend the meeting with you, where possible. This is one of the formal feedback opportunities during the academic year, you will also receive Year 11 mock results and reports in January.

Year 11 students should only attend school for their review day meeting, spending the rest of the time at home, where they are advised to revise for the upcoming mock GCSE examinations. We expect all assessments to have a greater significance this year and any extra private study time should be used by students to maximum potential.

We recognise that this is an extremely important year for your child and we wish to support him/her in every way we possibly can. Please ask your child to arrange a suitable time and day to meet with the form tutor. Staff will shortly be booking appointments with students, please check with your child to ensure you know when this is.

Yours sincerely

Mr W Wood
Assistant Headteacher
