20th July 2022

Dear Parent/ Carer

Year 11 Results Day 2022

I hope this letter finds you and your families well. Allow me to congratulate the students of Year 11 for all their hard work preparing for their examinations and to wish them luck in their upcoming results days.

Please see the information below regarding GCSE results day:

Cambridge International GCSE results are published online on 18th August. Students received a login during the examination season which will allow them to access their results. Any queries regarding these results can be discussed in school on Thursday 25th August.

Full GCSE results are published on Thursday 25th August. Statements of results, including International GCSE results, can be picked up at school between 9.00am and 12.00 noon. Induction interviews for the Sixth Form will take place on this day and in the days immediately following results day.

If your son/daughter is unable to attend school to receive their results on Thursday 25th August they can request these results to be emailed to them. Due to data protection protocols this request can only come from students' school google accounts. Similarly results can only be sent out to students' school google email accounts. All requests for emails must be made before the deadline of midnight on Thursday 28th July.

It has been a pleasure to work with this group of students and we wish them all the best in the future.

Yours faithfully

William Wood
Assistant Headteacher
