12th September 2022

Dear Parents/carers

On Wednesday 14th September we are hosting the Northern 6 Day for all Year 7 students. This is an opportunity for coaches and representatives from clubs in the north of the island to visit our school to offer training sessions. The sports that your child will take part in will be Badminton, Handball, Rugby, Table Tennis, Netball & Hockey.

Students will come home with information on training times and contacts for the clubs involved. It is hoped the day will lead to students taking up new sports at school and/or club level, with resulting benefits.

Your child should arrive on Wednesday morning in their Games kit. They should register as normal in the West building with their tutor and will stay in their tutor group for the entire day, rotating around the various sport sessions. They should bring a waterproof jacket, a hoody or sports sweatshirt and suitable footwear for indoors, astro and playing on grass. Please note, students will require at least one indoor and one outdoor pair of shoes. I would suggest a pair of Astros and an indoor pair of trainers. Students should also bring a bottle of water. Any student who requires an asthma inhaler or other medication should ensure they have it with them during the day.

We hope it will be an enjoyable and inspiring day for your child.

Yours sincerely,

Mrs T Mooney
Head of Girls PE
