RE: Year 11 Updates

Dear Parents/ Carers

I write to confirm that the College Taster Day at University College Isle of Man will take place on 3rd November.

As you are no doubt aware the ongoing industrial dispute is currently preventing many events such as this from happening across the island. I am therefore delighted to be able to offer this to some of our Year 11 cohort.

Please could you return the permission slip at the bottom of this letter to confirm your son or daughter's attendance on 3rd November.

I am also pleased to inform you that we have set a provisional date of July 6th 2023, for our Year 11 prom. The venue is still to be confirmed with all alternatives in the local area being investigated and contacted.

The prom committee, formed from volunteers from each form group, have been busy organising fund raising events in school. We had our first bake sale today where students of all years enjoyed some excellent cakes. I would like to thank you for your help and support in making these events happen and run so successfully.

Finally, due to the ongoing dispute it is looking increasingly unlikely that the school will be able to offer an Academic Review Day. This may be subject to change however any Year 11 parent wanting to discuss their son or daughter's progress can contact the school and arrange a meeting with me as Head of Year. This could be conducted via Teams or in person during the working week.

Yours sincerely

Robert Shimmin
Head of Year
