**Re: Year 7 CAT 4 Test results**

Dear Parent/Carer

I am pleased to inform you that we have received student results for the Year 7 CAT4 tests. Earlier in the year I wrote to you explaining our rationale in using CAT4 testing with Year 7 students. We are now in the process of analysing the results to identify key strengths and areas of development.

These results are primarily used to inform teaching and learning and support target setting within school. If you wish to receive the parent report, please complete this [form](#). Please do this before Thursday 24th November to support us in processing the reports.

If you have any questions about CAT4 testing or would like to discuss the results, please email me via [RGSenquiries@sch.im](mailto:RGSenquiries@sch.im) using 'Re: Cat4, W Wood' as the subject title.

Kind regards

Mr W Wood  
Assistant Headteacher
