**Re: SIMS Parent App**

Dear Parent/Carer

Thank you to all the families who currently use the SIMS parent app.

Currently 89.5% of our families receive parental/guardian communication about their children via the parent app. This includes attendance data, reports, tracking sheets, achievements and behaviour points. In addition, parents can also update their contact details, address, medical or dietary requirements all directly through the app.

We would appreciate it if you explored these features and checked that our contact information is up to date, ensuring that you click 'save' if any amendments are made.

During the next half term students in Years 9 and 11 will be making their option choices for the next stage of their academic lives. This will all be done via the SIMS parent app.

If you are not already signed up to the app or would like some help navigating the system, please contact [RGSenquiries@sch.im](mailto:RGSenquiries@sch.im) using 'Re: SIMS Parent App' as the subject title.

Kind regards

---

Ben Eyres  
Deputy Headteacher
