Re: Key Stage 3 Assessments

Dear Parent/ Carer

Over the course of this half term students in Years 7, 8 and 9 will be taking assessments in most subjects. These assessments will be based on much of the work completed over the year and will help us understand their progress and attainment and how best we can support each child.

All assessments will be completed during normal lesson times and in class, apart from Year 9 Assessments in English, Mathematics and Science which will be in the West Hall week beginning 29th May 2023. Teachers have been asked to provide revision lists for students and inform them of the dates of their assessments. Students have been provided with blank timetables to fill in when their assessments will be.

These assessments are no different to others that the students have sat over the year and should not cause extra anxiety or concern. They are an opportunity for students to consolidate their knowledge and show what they have learned throughout the year. If you have any further questions regarding specific assessments please contact the school via rgsenquiries@sch.im with the subject 'Key Stage 3 Assessments'.

Your faithfully

William Wood
Assistant Headteacher
