Re: KS3 History curriculum

Dear Parents/Carers

From time to time the History Department would like to show specific film clips to students which can enhance the teaching of particular topics, for example Saving Private Ryan and Amistad. We may use these clips for information or for the students to study them as an interpretation of a historical event. Some of the material may be taken from films that have a certificate 15 classification.

If you do not want your child to watch this material, which has been carefully selected for a historical purpose and would rarely be the entire film, please inform the school via a note in your child's planner.

Thank you very much and please do not hesitate to contact any member of the History Department for further information.

Yours sincerely

Mr A Wilkinson
Team Leader of History
