Academic Review Day

Dear Parent/Carer

We are looking forward to welcoming you to our Academic Review Day on Thursday. Students have been busy preparing their presentations during PGE and form time and teachers have been producing reports and targets.

This year teachers have been asked to produce a single sentence target that is most pertinent to moving your child's learning forward. This will be given to you, along with a snapshot report, and will form the basis of a discussion between you, your child, and their Form Tutor.

Could I please remind you that students should only attend school for their Academic Review meeting and should attend this meeting in their school uniform. At busy times, the car park may be full so please be careful when moving through the car park.

Just one final reminder - Year 8 and Year 10 Review Days will take place in the East Building, all other year groups will happen in the West Building.

Yours sincerely

William Wood
Assistant Headteacher
