

3rd July 2024

Standalone Week 2024 - Activity Choices

Dear Parent/Carer

Your child's activities for Standalone Week 2024 can now be found on ParentPay. We have tried to allocate every child into as many of their preferred option choices as possible. However, with over 800 students, 100 activities and 4 days to prepare for, there are inevitably some slots that have been filled by activities that were not initially selected. In these instances, we have tried to allocate places on activities where they have shown similar interest from other selections.

If your child receives a free school meal, these will still be provided. However, on days where students are involved in activities off site, they must have ordered a packed lunch in advance. This can be done via [this link](#).

As always, if there are any problems then please contact the school. Activities will now become live on ParentPay - this will also be where you give consent for your child to take part in the activities.

Correlating Activity Numbers

Activity No	Tuesday 9 th July	Wednesday 10 th July	Thursday 11 th July	Friday 12 th July
