Dear Parent/Carer

Drop Off / Collecting Students

Please can I remind you that you should not be dropping students off outside the school grounds of the West Building, as this is blocking the road and is extremely dangerous. All students that arrive by car should be dropped off in the layby outside the East Building. Vehicles should not be dropping off or collecting students directly from the school premises as this is a major health & safety risk.

Students who attend the SPC have separate arrangements via Crossags Lane.

Kind regards

Clare Cazyer
