Some WJEC qualifications are regulated by the English regulator, Ofqual, and therefore we are not permitted to disclose these provisional grades until the August results days along with all other results. These subjects are;

GCSE Global Business with French and Tourism

If you have any questions regarding these results or if you are considering a review of your child's provisional grade, please contact school in the first instance through RGSenquiries@sch.im and a member of senior staff will reply as soon as possible. Information on the appeals process can be found in the Key Information area of our website; <https://rgs.sch.im/pages/index/view/id/152/Examination%20Information%20Summer%202021>. Please read this information before considering an appeal. At this time students can request that we review our information to check for errors identified by the student. The second stage of the process occurs after the results days in August.

We will distribute information regarding appeals from other examination boards once their processes are finalised. We hope the release of provisional results will allow for any concerns to be dealt with at an early stage and hopefully this will provide students with some certainty about their summer results.

We wish our students good luck in their upcoming provisional WJEC results and look forward to seeing them soon.

Yours sincerely,

Mr W Wood
