Dear Parent/ Carer,

CAT4 Testing for Students in Year 7, 8 and 10

Next week students in the above year groups will be sitting CAT4 diagnostic tests which will help us identify areas in which they may need support. This is not a test that can be revised for and, as such, there is no need for students to be concerned about it.

The tests are designed to be completed by all students in the same length of time without support, which will give us the greatest insight into areas where each student requires help. Therefore, student access arrangements do not apply in these diagnostic tests.

There are eight small sections to the test, these will be completed in a double and single lesson, in tutor groups. All sections will be completed on the ISC computers. A video with further information will be made available on the school website [here](#)

Please find below the timetable of when the CAT4 tests will take place for each tutor group:

CAT 4 Testing Schedule

	Mon	Tues	Wed	Thurs	Fri
1	7AB	8AB	10AB	10AB	7AB
2	7AB	8AB	10CR	10AB	7CR
