Improving Literacy

Dear Parents /Carers

Firstly, I would like to introduce myself. I am Carolyn Jones, the Literacy Lead and an English teacher at Ramsey Grammar School. I invite you to an interactive session on literacy improvement within the school and how we plan to collaborate with parents to bolster literacy levels. As a parent myself, I understand it can be difficult to encourage your child to turn to a book when there is a myriad of technological devices or mountain bikes nearby. Through this session, we will equip you with ideas and strategies to help get your child onto the route of reading.

In addition to encouraging reading at home, we will also cover the following topics:

The session will be held on Thursday 23rd May 2024, from 6pm – 7pm in the West Hall, Ramsey Grammar School.

If you would like to sign up, please scan the QR code below and input your details.

Please note that you will need to show photographic identification upon entering the school.

Kind regards
