Dear Parents and Carers

Year 7

We are now at the end of the first half term, and I am delighted to share how well Year 7 students have settled into life at Ramsey Grammar School. They have made a positive start, showing enthusiasm in lessons, building new friendship and beginning to take advantage of the opportunities available to them.

The Year 7 tutor team has been equally impressed with the way students support one another and consistently demonstrate our school values. Many of you will have already heard from your child's form tutor, who has been in touch to introduce themselves and begin building those important home-school connections. The students have made a strong start, and we are extremely proud of them.

It has also been pleasing to hear such positive feedback from staff across the school. We recognise, of course, that it will take time for students to build relationships with all their teachers, establish new routines and adjust fully to the demands of secondary school life but they are making very encouraging progress. We look forward to seeing their continued growth and achievements in the months ahead.

With best wishes

Miss Johnson and Mrs Bullock
Head of Year and Deputy Head of Year
