Dear Parent/Carer

Year 7 Maths

I am writing to inform you that Year 7 have their second Maths assessment of this academic year shortly. This assessment covers all topics taught from the start of half term 3. Please find the revision list on the reverse of this letter which has already been shared with the students.

Students will sit their assessment in class on **Thursday 12th February 2026**.

Any students who require different arrangements to ensure they can access the assessment will be accommodated for.

Please can I ask that you ensure your child has the following equipment with them:

- Pen
- Pencil
- Ruler
- Rubber

This is a non-calculator paper so students should not have their calculator out for this assessment. They should still bring their calculator to school.

Kind regards

Mr J Leech
KS3 Mathematics Lead
