24th March 2026

Dear Parent/Carer

Year 7 Maths

I am writing to inform you that Year 7 have their fourth Maths assessment of this academic year shortly. This assessment covers all topics taught from the start of half term 4. The revision list can be found below and has already been shared with the students.

Students will sit their assessment in class on the following days:

- **7G (Raven, Snaefell and Vollan) – Tuesday 31st March 2026**
- **7R (Ayre, Barrule and Cushag) – Thursday 2nd April 2026**

Any students who require different arrangements to ensure they can access the assessment will be catered for.

Please can I ask that you ensure your child has the following equipment with them:

- Pen
- Pencil
- Ruler
- Rubber
- Protractor

This is a non-calculator paper so students should not have their calculator out for this assessment but should still bring their calculator to school.

Kind regards

Mr J Leech
KS3 Mathematics Lead
