Super Students

Assembly

13.12.24

Effort - What is it?

- ❖ *Effort* has to do with how much work you're putting into something.
- ❖ Effort has to do with how hard you're trying.
- ❖ Effort is about trying to get something done, even if it doesn't always work out.

Attainment - What is it?

- ❖ *Attainment* is to do with an accomplishment.
- ❖ It shows us that you have achieved something this half term.
- ❖ An attainment isn't just handed to you — you must earn it through skill and hard work.

Maths - Effort
