Dear Parent/Carer

Year 8 Maths

I am writing to inform you that Year 8 have their first Maths assessment of this academic year shortly. This assessment covers all topics taught since the start of September (please find the revision lists on the reverse of this letter).

Students will sit their assessment in class during their usual lesson on **Wednesday 22nd October 2025**.

Any students who require different arrangements to ensure they can access the assessment will be accommodated for.

Please can I ask that you ensure your child has the following equipment with them:

- Pen
- Pencil
- Ruler
- Rubber

This is a non-calculator paper so students should not have their calculator out for this assessment. They should still bring their calculator to school.

Kind regards

Mr J Leech
