Dear Parent/Carer

Year 8 Maths

I am writing to inform you that Year 8 have their second Maths assessment of this academic year shortly. This assessment covers all topics taught since the start of half term 2 (please find the revision lists below).

Students will sit their assessment in class on **Wednesday 10th December 2025**.

Any students who require different arrangements to ensure they can access the assessment will be accommodated for.

Please can I ask that you ensure your child has the following equipment with them:

- Pen
- Pencil
- Ruler
- Rubber

This is a non-calculator paper so students should not have their calculator out for this assessment. They should still bring their calculator to school.

Kind regards

Mr J Leech
