13th March 2025

Dear Parent/Carer

GCSE OPTIONS PROCESS – UPDATE

Thank you all for ensuring your child's options choices were input prior to the deadline of 25th February 2025. We are now in the process of matching choices made by students in each block to provisional subjects for September.

In most cases, students will be matched to their first choices and where that is not possible, we will allocate to 1st and 2nd preferences.

As has been previously communicated both by letter and at Options Evening, once options are finalised and communicated to students and yourselves, **they cannot be changed.**

If there are any enquiries regarding subjects allocated to students, or if in exceptional circumstances genuine errors have been made, **there will be a one week period for these issues to be raised and resolved.** This will be between **31st March 2025 and 4th April 2025.**

Following this week the process will conclude, and we look forward to students enjoying their final term's learning in all of their current subject areas.
