Re: Cambridge Revision Workbook for English Language

Dear Parent/Carer

As a department we have bulk ordered Cambridge endorsed revision workbooks. They follow the exam board specification and provide activities for students to work through in their own time to supplement the learning done in the classroom.

As we have bulk ordered we can offer the books to you at a reduced cost of just £8.

The books can be purchased via Parent Pay and, if you would like one, will be distributed to students on receipt of payment.

Yours sincerely

Miss C Spooner
Deputy Team Leader of English
