Dear Parent/Carer

Employment and Skills Fair '24

I am writing to inform you that on Thursday 7th November we will be taking Year 10 students to the Employment and Skills Fair at the Villa Marina. Students will have the opportunity to listen to and speak with employers in a number of business sectors across the Isle of Man and UK. This will help motivate students and help them understand the qualities and qualifications they will need as they take another step closer to employment.

Transport is provided, with the buses leaving Ramsey Grammar School mid-morning and returning before the start of lunch.

We believe this will be a valuable event for all students as we help to prepare them for their future life in employment.

Kind regards

Emma Dyer
Head of Year
