Dear Parents/Carers

Important Information: Viewing of “Idris Elba: Our Knife Crime Crisis”

I hope this message finds you well. I am writing to inform you that as part of our Year 10 Curriculum, students will be watching the documentary *Idris Elba: Our Knife Crime Crisis*. This powerful film, presented by actor Idris Elba, explores the critical issue of knife crime in the UK and aims to raise awareness and encourage meaningful discussion around this important topic. As a year team, we will ensure the content is discussed in a sensitive and age-appropriate manner and linked to the laws on the Island around this.

The documentary includes real-life stories and conversations about the impact of knife crime on individuals, families and communities. We believe it provides valuable insights for our students, helping them understand the consequences of violence and the importance of making positive choices.

The viewing will take place during PGE on Wednesday 2nd April 2025. If you have any concerns about the documentary, or would prefer your child not to watch it, please do not hesitate to contact me via emma.dyer@sch.im. I would ask you do this by Wednesday 26th March 2025, so alternative arrangements can be made.

Thank you for your support and please feel free to reach out with any questions.

Emma Dyer
Head of Year 10
