Re: Year 11 Prom, 28th June 2024

Dear Parent/Carer

The end of Year 11 will be celebrated with a Prom on 28th June 2024. The Prom provides a great opportunity for students to celebrate the end of the exam period and all the hard work that they have put in over the preceding months. It will also be an opportunity to gather one last time as a year group before they all begin the post-16 pathways.

We are keen to encourage a positive contribution in school by all students, and hope that all of Year 11 will be able to attend the Prom. It has been made clear to the students in Year 11 that behaviour will be a key factor in whether any student can or cannot attend the Prom.

The starting point for measuring behaviour will be in January 2024, on return to school after the Christmas holiday. This will allow all students the opportunity to have a new start in the new year. If student behaviour becomes an issue, we will send one letter to advise that a student may be ineligible for the Prom. If there are no improvements, students who fail to respond will not be allowed to attend the Prom.

We hope to see all of Year 11 at the Prom for the deserved celebration of their time at Ramsey Grammar School.

If you have any queries, please do not hesitate to contact us.

Kind regards

Gwyn Davies and Rob Sorby
