Dear Parents/Guardians,

During the first half of year 11, your child will attend Drive Safe Live Long. This is a presentation delivered by the Isle of Man Constabulary's Roads Policing Unit, Ambulance Service and Fire and Rescue Service.

The presentation is to show students that although driving can be fun, it also brings many different potential risks, particularly for young and inexperienced drivers.

Our presentation focuses on the 'Fatal Five' Drink/Drug Driving, Seatbelts, Speed, Carelessness and Mobile Phones.

We also talk to the students about different road conditions, practicing in different conditions with experienced drivers and the importance of buying a safe car. The presentation contains a lot of information and we have a guest speaker affected by a road traffic collision come along to tell their story to the students.

If you would like any further information regarding the presentation, please do not hesitate to get in touch.

Yours sincerely

**Berni Hall**  
**Road Safety Operations Manager**  
**Road Safety Team**
