A-Level Options Evening

Dear Parent/ Carer

I am writing to you to share the final information regarding A-Level Options Evening. Please find links to the Options Evenings booklet and maps showing the location of subjects in the East Building [here](#). This information is also available on the school website.

There will be representatives from all subjects studied at Ramsey Grammar School on hand to discuss any questions you have about Key Stage 5 study. We will also have members of staff from University College Man, the schools with which we collaborate, and the careers service available for conversations regarding A-Level options, further study at UCM, and future pathways.

A presentation will be given twice during the evening, providing information about study at Key Stage 5 and the different qualifications which are followed at Ramsey Grammar School. This talk will take place in the East Hall at 5.45pm and 6.30pm, and you are welcome to attend either.

Please be aware that there will be a lot of people around the school on Thursday evening, which may lead to parking difficulties. If the car parks are full, there will be spaces at Bunscoill Rhumsaa. If you need to move between the West Building and East Building, please use the path closest to the astroturf and be mindful of uneven ground.

Initial options choices should be made via the SIMS Parent Application and should be completed by Friday 16th February. The choices will be available on the application immediately after the Options Evening. There is a guide to using the SIMS Parent Application for options choices on the school website, [here](#).

We look forward to seeing you on Thursday evening. If you have any questions, please email the school via rgsenquiries@sch.im.

Yours sincerely

Mr W Wood
Assistant Headteacher
