Re: Year 11 Record of Achievement Day

Dear Parent/Carer

Your child will begin their study leave from 11am on Thursday 2nd May 2024. Lessons will still continue until the date of the subject exam, and we encourage all pupils to attend these lessons.

Arrangements for Thursday 2nd May

Students arrive to school for registration. Lesson 1 will be a relaxed goodbye/party with their form tutor. If students want to get shirts signed, they should bring a spare one as their uniform needs to continue to be smart.

Lesson 2 will be a formal Record of Achievement presentation in the West Hall. Students should be dressed in full smart uniform. The school Governors will be presenting the files and there will be speeches from the Headteacher, Head of Year and form tutors. There will be music provided by the school band. This is a lovely event and is a super way to say goodbye and good luck to the year group as a whole. The formal presentation will be finished by 11am and students will then commence study leave.

Arrangements for attending lessons and exams

If students wish to come into school for subject lessons, they should be in full uniform. Students will need to sign into school at the office and sign out when they leave. This is vital for health and safety reasons. Examinations will take place in the sports hall. There will be seating plans and exam information in both buildings.

Uniform donation

At the end of the exam season, if you wish to donate any spare uniform that would be most appreciated. Blazers and ties would be most welcomed.

I would like to take this opportunity to thank you for being part of our Ramsey Grammar School community and I wish your child all the very best for their exams.

Kind regards

Josie Corrin
Assistant Headteacher
