

Year 11 Extracurricular Sessions 2024-25

Attending extracurricular GCSE classes can be highly beneficial for students in a number of ways. These sessions provide additional support and opportunities beyond regular school hours, often leading to academic improvement and higher outcomes at GCSE.

Below is information on what's currently available from subjects. Core subjects **are emboldened**. This list will grow during the year and will be regularly updated. **All Year 11 students should be attending some or all of these sessions.**
