26<sup>th</sup> February 2025

Dear Parent/Carer

## **GCSE Mathematics Mock Exams March 2025**

We are holding another set of mock exams for Year 11 students next month to allow the students and ourselves to have the best opportunity to gauge where they are up to and what we need to work on in the final few weeks leading up to the GCSE exams.

The mock exams will be as follows:

Tuesday 11<sup>th</sup> March: Lesson 3 and 6 (Unit 1: Non-calculator)

Tuesday 18<sup>th</sup> March: Lesson 3 and 6 Unit 2: Calculator)

These mocks are nothing to worry about and will be held in the normal maths classroom during maths lessons on that day. Students who have extra time will be informed of when they will be given the time to complete the mock.

It is vital your child attends both mocks so we can support him/her in GCSE maths in the best possible way.

Students will need the following equipment:

- Pen
- Pencil
- Ruler
- Protractor
- Compass
- Calculator

If you have any queries, please send an email to myself via [rgsenquiries@sch.im](mailto:rgsenquiries@sch.im).

Kind regards,

Emma Nicholson  
KS4 Mathematics Coordinator
