Dear Parents/Carers

Exam Preparation

As the 10-hour art exam is now only a week away, I wanted to ask for your support in ensuring your child has done the necessary preparation work.

I have attached a checklist in the back of student sketchbooks and have posted a supporting PowerPoint with examples on TEAMS.

By the end of this week students should have created a mini plan of their 10-hour piece. They must have practiced with any materials they are going to use in their exam and have taken into consideration any drying time required for final outcomes. The mini plan will also give students an idea as to the scale they want to create their outcome on, i.e., A3, A2, etc.

The usual intervention evenings will continue this week on Tuesday/Thursday evenings, as well as extra periods on Thursday P5/P6 for some students.

Please see the attached PowerPoint I have created for deadlines and support with the exam.

Many thanks
