Re: Youth Impact Summit

Dear Parent/Carer

I am writing to inform you that on Wednesday 20th September 2023 we will be taking the 6th Form to attend the Youth Impact Summit at the Villa Marina. This will give students the opportunity to listen to inspirational leaders from across the island, and hear how local business people have encountered challenges along their route to success. Students will also hear about the importance of human values in the future of work, and reflect on the skills that they will need as they move towards employment themselves.

Transport and lunch are provided, with the buses leaving Ramsey Grammar School after registration and returning by the end of the school day.

We believe this will be a valuable day for all students, as we help to prepare them for their future life in employment.

Kind regards

Ben Eyres
Deputy Headteacher
