Re: Year 13 Sea Dip

Dear Parent/Carer

Year 13 students have organised a fundraising sea dip. This event is part of a series of events that aim to raise money for the end of year prom and associated items.

The event will take place on Wednesday 1st November at 4.15pm. Students will meet in the Sports Hall at 3.40pm and walk to the beach together.

Please can you make sure that your son/daughter is appropriately prepared for this event. We recommend all students have either a large towel or blanket to wrap up in after the dip. They can enter the water in whatever they feel comfortable in - it's a Halloween theme but the cold water may be scary enough!

In the interests of GDPR we must ask that **no photographs or videos are taken of the event** other than those by an official school photographer present at the event.

If the weather is bad we may be unable to go ahead with the dip, but we will make a call on this the day before and let students know. In the event of a cancellation we will attempt to do the dip on the following Wednesday.

Opportunity to consent via ParentPay will be available shortly and sponsor forms will be available from school and on our website.

If you have any questions regarding the event please contact me at school.

Kind regards

Mr S Curran
Head of Year
