Higher Education Fair at Ballakermeen High School

Dear Parent /Carer

In line with the letter from Graham Kinrade notifying you of the Higher Education Fair taking place at Ballakermeen High School next week, we will be taking all Year 12 students to visit the fair this Friday.

Students will be attending lesson one as normal in the morning, and then will leave school by bus at 10am. They will have approximately one hour to tour the stands and speak to delegates from various universities, employers and UCM. The bus will leave Ballakermeen High School at 12 noon for our return to school. Lessons will resume as normal from 2pm onwards.

If you would like to visit the fair separately, please remember that doors open to parents and students this Thursday from 7pm.

Kind regards

Stuart Curran
Head of Sixth Form
