Sixth form Results Days 2024

Dear Parents/ Carers/ Students,

I hope this letter finds you well. As the external exam series has ended, I am writing to inform you about the timings and organisation of results days. Firstly, I would like to commend our students for their fantastic dedication and conduct before and during the examination series., It has been a pleasure to work with the young adults of Ramsey Grammar School.

Results from the majority of A-Level qualifications will be available to be collected at school on Thursday 15th August 2024 between 8.30am and 12.30pm in the Hector Duff Centre. We will also be offering guidance about university applications and future pathways on this day.

Prior to results day, Cambridge International Examination Board publish student results online from 8am on Tuesday 13th August 2024. Students have been given individual logins to be able to access these results. It is important students note that, whilst they may have specific grade offers for their chosen university, these offers can be amended by the institutions as they receive student grades. University offers are traditionally made on the morning of Thursday 15th August 2024, but some may take time to come through. If you have any concerns, please speak to a member of the Sixth Form team on the day.

Any results for AS examinations sat by Year 12 can be collected from the Hector Duff Centre from 11am on Thursday 15th August 2024. This allows us the opportunity to provide information and support, specifically for our Year 12 students. If students sat an AS Examination with Cambridge International Examination Board these will also be available online on 13th August 2024.

If students wish to arrange for another member of their family to collect their examination results, or for the results to be emailed, the request should be sent to examinations@rgs.sch.im. This message needs to be sent from the student's google email address. Examination results emails will not be sent until midday on Thursday 15th August 2024.

We look forward to seeing our students on results day and wish them every luck in their results and their future choices.

If you have any questions regarding this process, please email examinations@rgs.sch.im.

Yours sincerely

William Wood
Assistant Headteacher
