Transition Events

It's great to see you all!

Now we are back in school we have started our busy transition period. This is an exciting time as we invite you into our school to see just what we are all about!

So far we have welcomed Sulby, Ballaugh, Kirk Michael, Laxey, Dhoon, Ashley Hill, Jurby and Andreas students to take part in our Speed Questioning events, where students met up with some of our current Year 7s to ask them the questions they really wanted to know answers to!

This was followed by a tour of the school led by our amazing Year 7 students. We all had a great time! Over the next few weeks we will be repeating this event for all of our partner schools so if you haven't yet been then don't worry, you will be before the end of this half-term!

At this event you will also get your Ramsey Grammar School Brochure where you will find lots of important and useful information about the school. Transition packs will be send home to families over the half-term break.
